step three (must be completed by company owner)

I understand the following conditions:

- Qualifying Customers = SME Business (Small to Medium Enterprise) and does not include Foodstuffs Members, 'not for profit' businesses and other business types.
- Charge account holders purchasing in excess of \$250 (excluding Charge Throughs, product exclusions and GST) are eligible providing they meet the qualifying customer requirements.
- Cash Card holders purchasing in excess of \$100 per week (excluding product exclusions and GST) are eligible providing they meet the qualifying customer requirements.
- Qualifying Purchases = There are some product exclusions (including some Charge Through supplier partners) as defined by Trents Wholesale Limited. Please contact us for more information. Qualifying purchases exclude tobacco, cigarettes, phone cards and service charges such as small order, delivery charges, keg deposits and some non-qualifying products.

I understand that Fly Buys points will be awarded on the basis of one standard point for every \$50 spent (after discount and excluding GST) on qualifying purchases by qualifying Trents account holders.

I understand that points can only be collected by an individual or individuals attached to a business, and a business itself cannot collect points.

I understand that I can not collect Fly Buys points if my Trents account is not being operated within the terms and conditions explained on my Trents Application for Trading Credit.
